*****Dogs must be current on Rabies, Distemper/Parvo, Bordetella (within 6 months), and Canine Influenza. Records must be presented before boarding.** Bordetella is required at Hilltop Dog Hotel every 6 months. Client understands that their dog is still at a low risk of contracting Bordetella virus due to mutations and strains not covered by the current vaccination. Client is responsible for getting previous vaccination records to Hilltop Dog Hotel before bringing a dog for boarding. If the dog is brought for boarding and is not up to date, Client agrees to have the dog vaccinated by Rocky Hill Animal Hospital and is responsible for fees. In addition, any animal found having fleas or evidence of a flea infestation will be given Capstar—a safe, proven flea control medication—to protect our clinic and other patrons for the cost of \$9.00 (under 25lbs) or \$10.00 (over 25lbs).
